

RoHS Certificate of Compliance

2025/06/15

KinKuo is committed to managing the use of chemical substances in accordance with governmental regulations, industry standards, and customer-specific requirements in order to protect the environment. For each part listed, this document provides:

• **EU RoHS Compliance Status.** EU RoHS status is declared per Directive 2011/65/ EU and its subsequent amendments, including the Directive EU 2015/863 which additionally prohibited four phthalates. Homogeneous materials of parts that are compliant to this legislation have less than 0.1% by weight each of lead, mercury, hexavalent chromium, PBB, PBDE, DBP, BBP, DIBP, DEHP, and 0.01% by weight of cadmium. In situations where an exemption applies, the preceding limits, corresponding to the exempted substance(s), may be higher.

KinKuo's sole liability for incorrectly certifying a product shall be either replacement of the KinKuo product or, alternatively and in the sole discretion of KinKuo, return of the purchase price paid for the relevant KinKuo product.

For additional information regarding KinKuo's environmental initiatives and further explanation of this information, please visit www.KinKuo.com
